Re: Residential Tire Collection Event – Pre-Registration Required

Dear Township Supervisors:

The Clinton County Solid Waste Authority has scheduled the 2021 Residential Tire Collection Event for May 14th and 15th at our Recycling Center in Wayne Township. Each Clinton County resident will be allowed to bring up to 12 tires free of charge. There will be a minimum charge for residents that bring more than the allotted 12 tires. This collection event is not open to tire dealers, service station operators, repair garages, tire sales outlets or similar facilities. Tires from these facilities will be accepted during our regular business hours for a nominal fee. Please see the attached flyer for more details.

Pre-Registration for residents is REQUIRED for this collection event
Register at www.waynetwplandfill.com

Tires will only be accepted from pre-registered residents. Registration can be done at our website beginning April 1st. If you do not have access to a computer/printer please contact us at 570-769-6977.

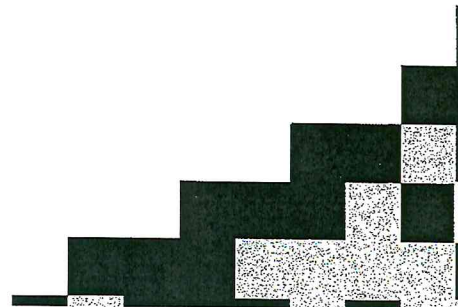

The Solid Waste Authority would like to encourage you to assist your residents with recycling of their old tires. As such, each municipality will be allowed to bring in tires for their residents providing the driver of the municipal vehicle has a completed manifest (attached) which lists each participating resident's name, address, and the number of tires collected. The manifest will be given to Authority personnel at the tire collection area. **Municipalities must contact Thresa Lingenfelter at 570-769-6977 to register for the event.**

Thank you in advance for your participation in this event and we ask you to distribute the attached flyer to your residents. If you have questions please feel free to contact Thresa Lingenfelter at 570-769-6977.

Sincerely,
Clinton County Solid Waste Authority

Michael L. Crist
Environmental Manager/County Recycling Coordinator
