We had 40 incidents last month, 2 structure fires, a lot of things at the racetrack, we had 5 or 6 lift assists. Our gun calendars are out, I took a bunch to Miller's this morning. All they need to do is call someone and say they need a calendar. Breakfast will start in October; I think it's the second Saturday of the month. Public Works: W. Vonada stated they have been cleaning limbs and debris out of the ditches. Bolopue Road is almost complete, everything is done that can be done for now. We are going to go through and make the transition from Bolopue into driveways easier, some stone is higher than we thought it would be. Smaller cars could bottom out. All of the water seems to be going to the right places, seems to be working very well. They did start the fiber mat job today on, Kryder, Hill, maybe Lizardville. Not quite sure where we are going to come in at Bolopue. Sounds like it's going to come in a little cheaper than the bid.
